

Harba is an international sailor mobile application which makes it easy to book and pay for berths in marinas. Harba is a completely new mobile application which will be launched in May, therefore there is a great opportunity to become a part of this fast growing team since the company can help you kick-start your career!

Christian Elkrog Hansen is the Founder & CEO

More on Harba:
www.harba.co

Harba became a part of Blue Lime Labs investment portfolio.

Blue Lime Labs is a company investing and developing early-stage start-up ideas to meet the market.

Our focus is into scalable business-to-business solutions that provide straight forward value to companies.

Our portfolio consists of 3 international start-ups and we plan to rapidly expand our scope during the upcoming years.

Full-time Sales / Account manager for Scandinavia

We are looking for someone who is excited about the possibility to have a real impact on how leisure sailing is done and how marinas are run. It is a plus if you are a sailor, have an interest in cruising and have experience within sales. But the most important thing is that you are willing to learn and grow with the company.

Requirements:

- Making sales over the phone to ports in Denmark, Sweden, Norway or Germany, depending on your language skills
- Making sales face to face for sailors and ports
- Customer care and service of ports
- Further development of the product and the company
- Promotion and sales at events in the ports and boat shows
- Other tasks that fit your qualifications

We offer:

- Flexible working hours and possibility to work from home some of the time
- Salary according to your experience and qualifications
- Experience to grow professionally and learn new things
- Travelling and work in both Copenhagen & Vilnius offices
- Kick-start your career!
